Vol. LIV

Leopards,

Another year has gone by. It has been filled with many experiences which will provide cherished memories for coming years.

The good times stand out most vividly—for these we are grateful. However, like any other year 1966 has had its sorrowful experiences—from these we must learn.

Seniors, you are leaving Adamson with a foundation for future years. Underclassmen, you are now faced with the tremendous task of upholding the spirit and traditions of W. H. Adamson High School.

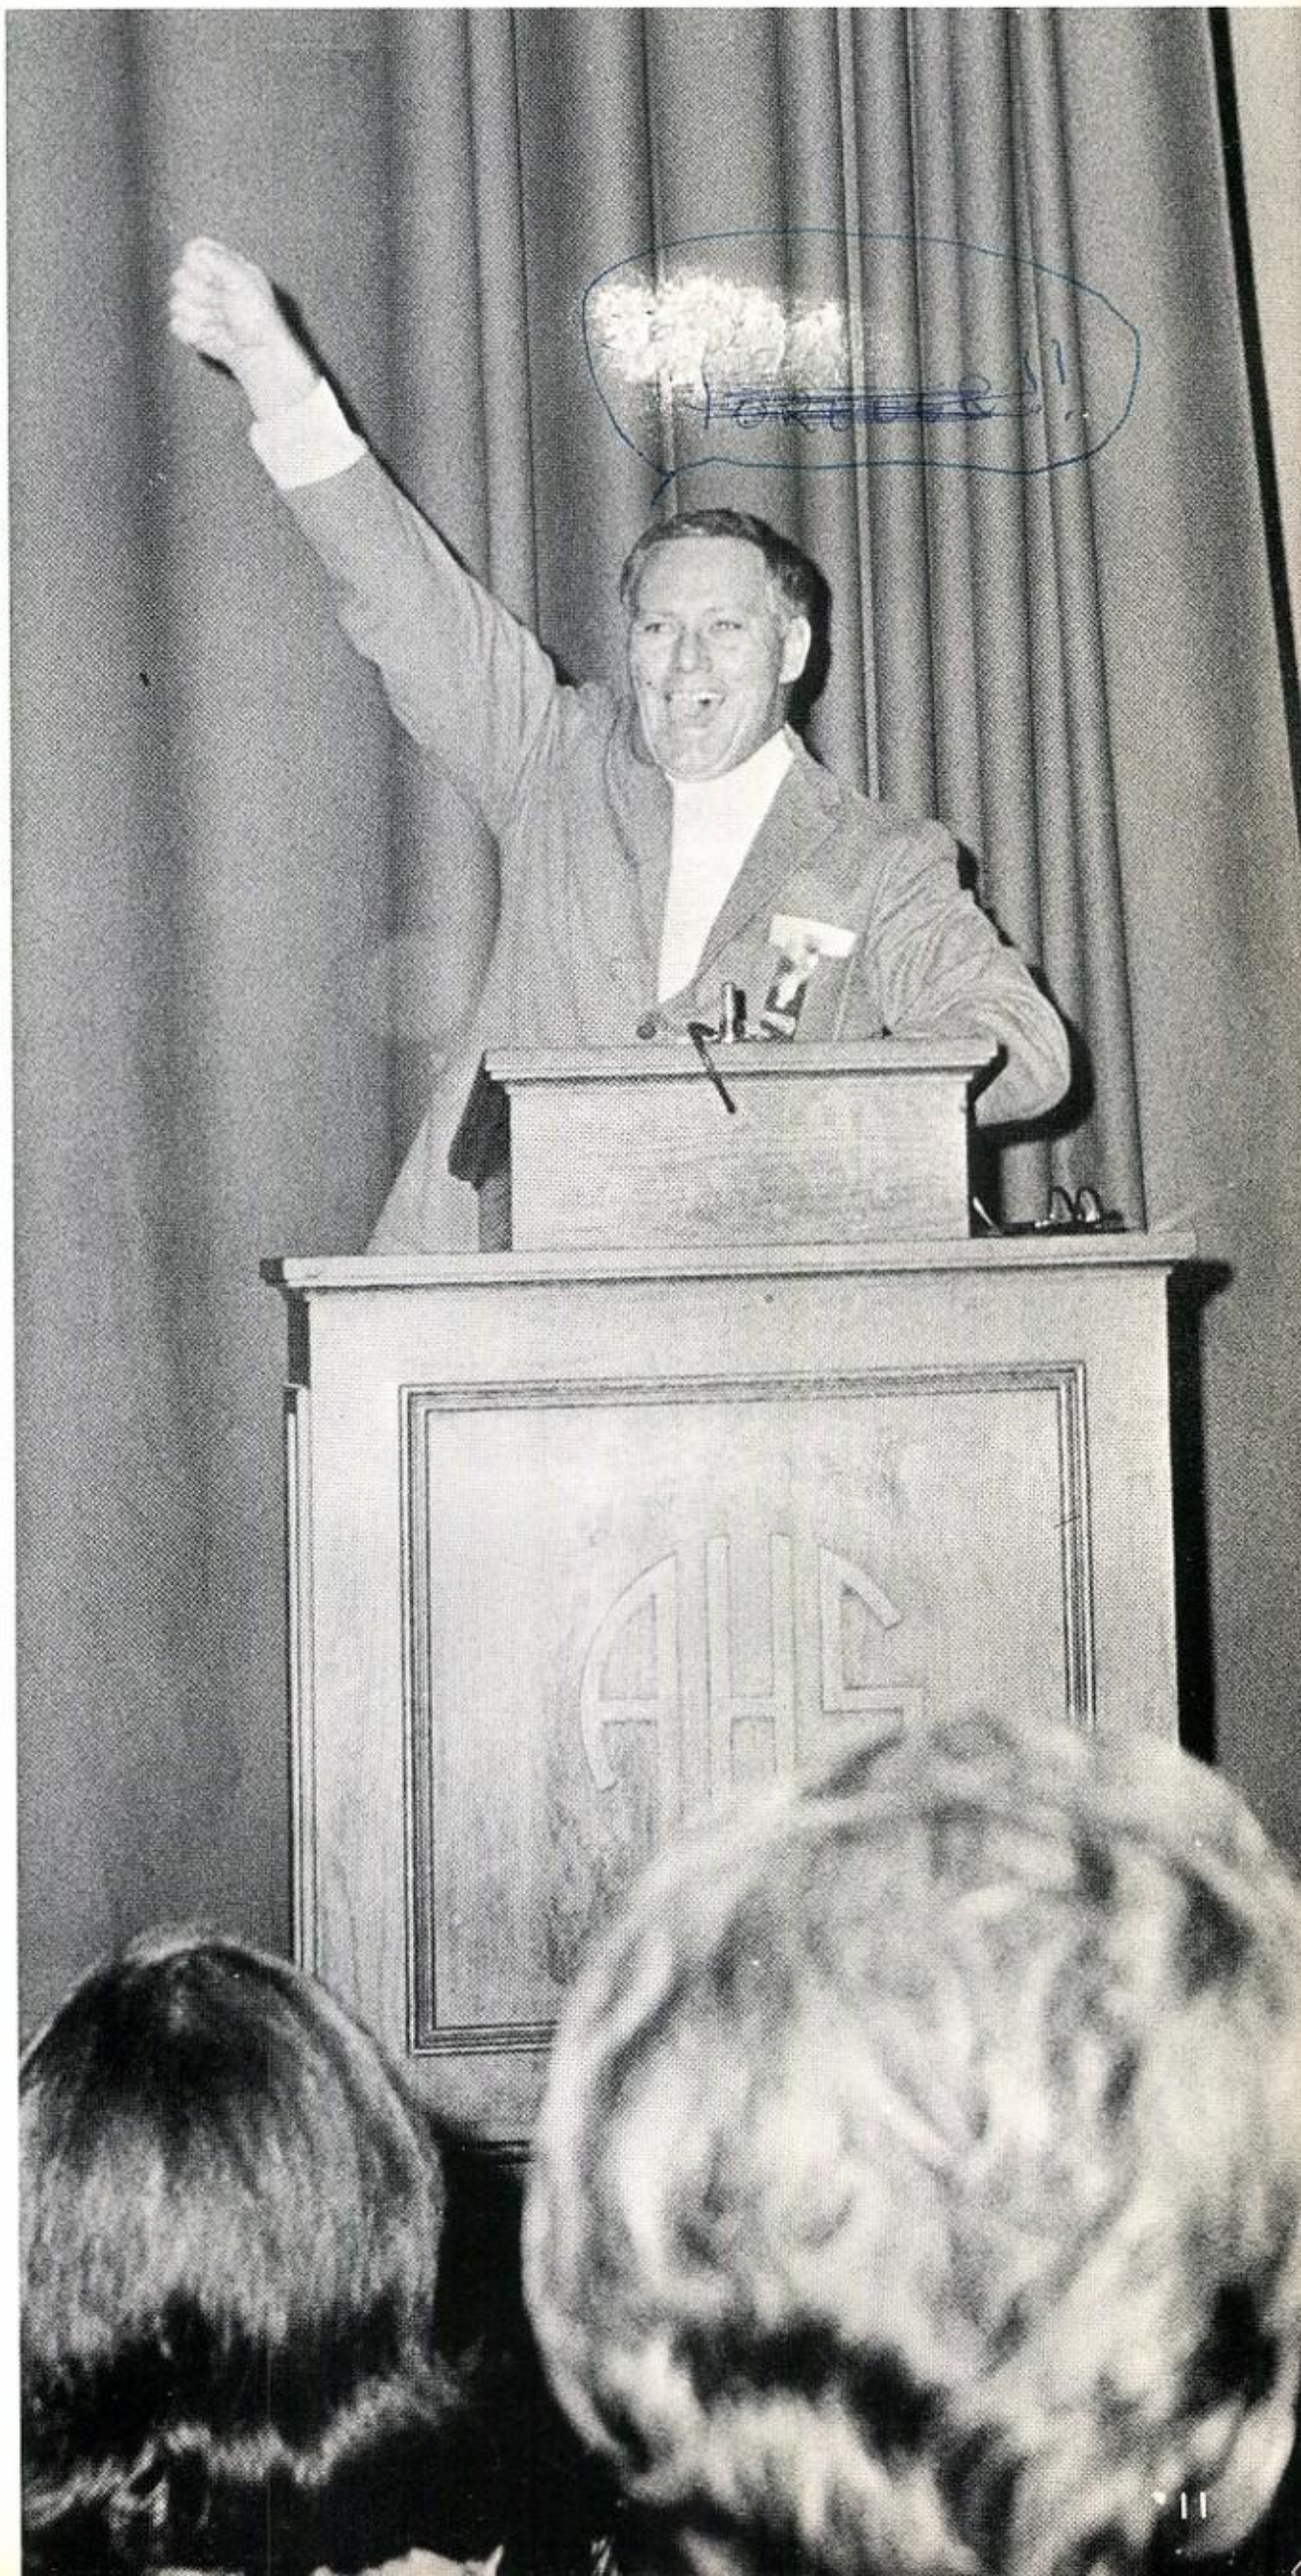
WE DEDICATE THE '66 OAK TO

Versatile, devoted, understanding—these are but a few of the words which characterize our choice of dedicatee for THE 1966 OAK. His cheerful smile and unfaltering desire to assist, brightens the day of all around him—students, fellow teachers, and friends alike. Always offering a comforting word and a helping hand when one is needed most, he has won the respect of faculty and the love of students. A devoted teacher, a wise counselor, a loyal supporter of Adamson, "the world's oldest cheerleader"; this is the person to whom all Leopards turn for help and advice. For his rare ability to combine fun and work, to add pleasure and satisfaction to learning, to be a true friend, and to dedicate his all to us; we dedicate this 1966 OAK to you,

DAVID A. FORGEY

If a cluttered desk reflects a busy person, Mr. Forgey must be one of the busiest persons in town.

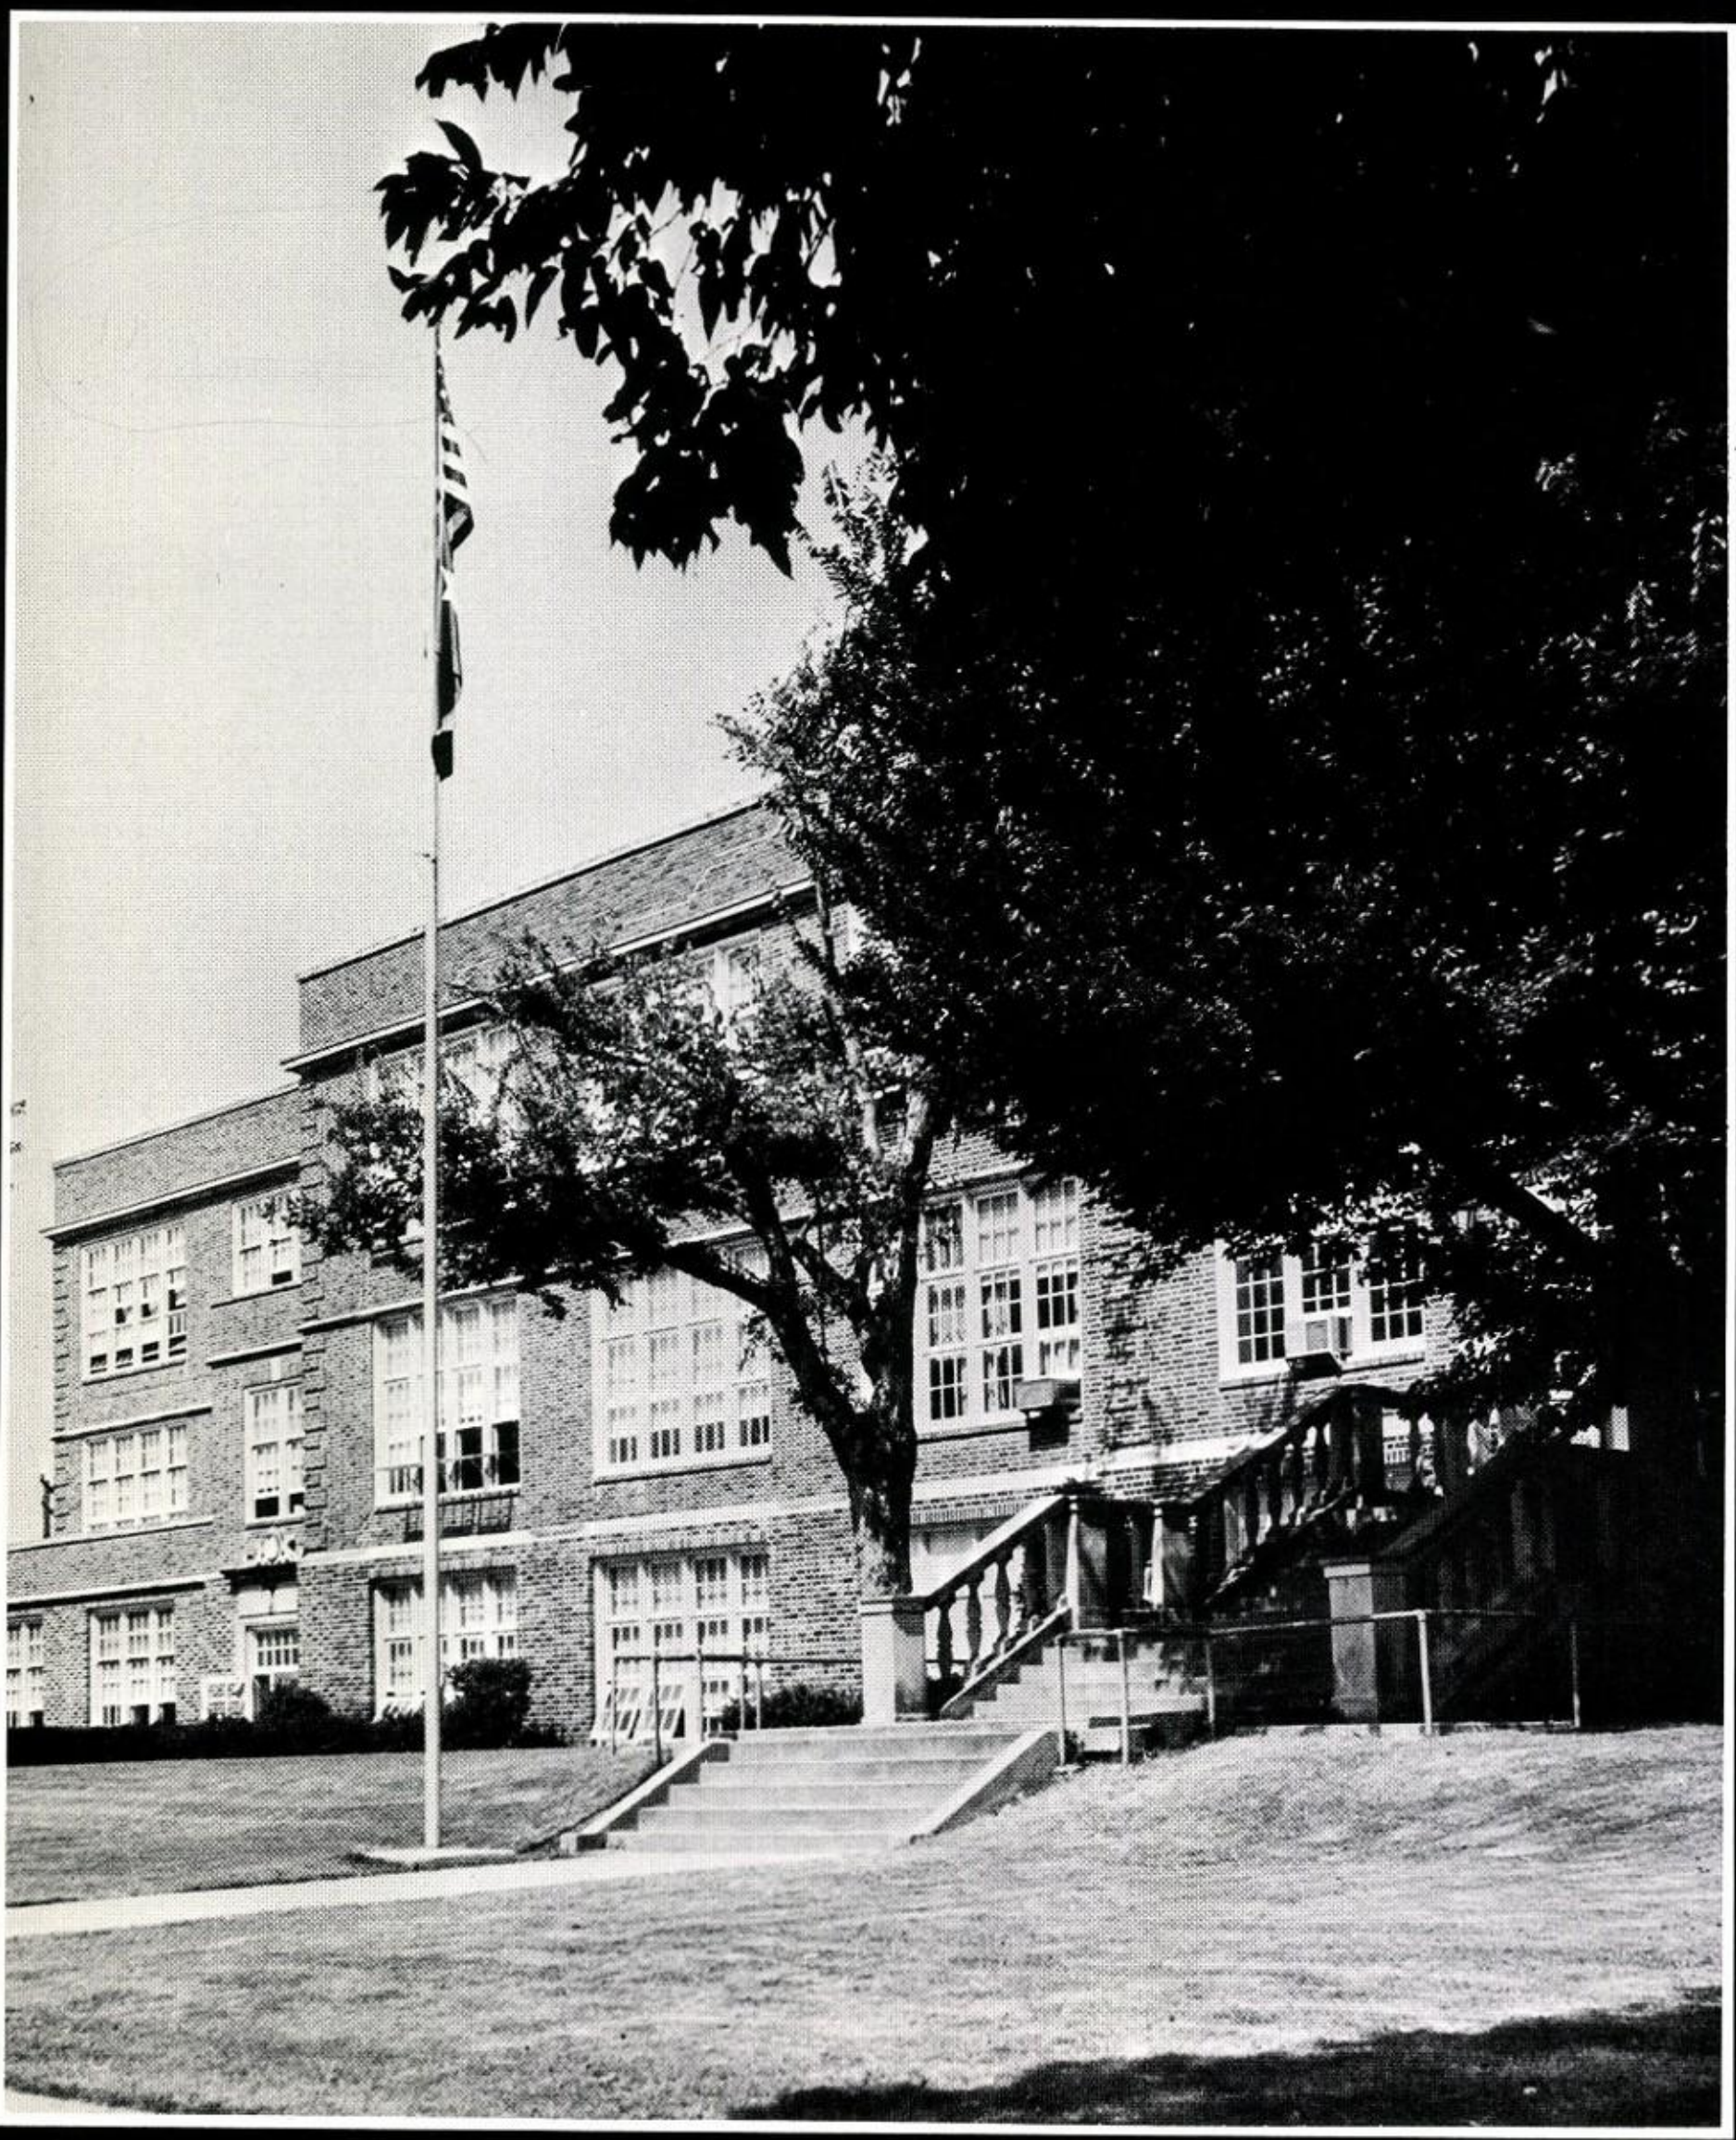
A MAN WHO IS HIMSELF DEDICATED



"DR. PEPPER, COCA-COLA, SEVEN-UP AND LIME! shouts "the world's oldest cheerleader," in a pose familiar to Adamson students.

"Yes, Child" is another well-known expression of Mr. Forgey's.

W. H. ADAMSON HIGH SCHOOL



Although the halls of "Big A" look the same as they did 50 years ago, many feet have trod the corridors, contributing to the growth and development of the school. Adamson is filled with students observing old traditions and making new ones. To those students, W. H. Adamson is not just a building or a landmark known to many people throughout Dallas; it is a symbol of opportunity and a foundation for the future.

That is why — "To thee, Dear Adamson, we pledge our loyalty."

AN AIR OF INTEREST FILLS THE SPECIAL COURSE CLASSROOM AS "SPECIAL" FACULTY MEMBERS PUT FORTH THEIR BEST

In the special arts department faculty members train students to use their hands and their heads for different fields of work. Mr. Hardaway's classes have produced 7 foot skis to round wooden rings, and Mrs. Evans' class built a Christmas tree. Colonel Fulton, teaches ROTC, a subject vital to today's young men, and also sponsors the Adamson Rifle Team, which practices sharp-shooting. These classes, with the study hall and P.E. classes, enrich the daily schedule and routine of students as well as teachers. TENSION RISES AS FAVORITES ARE ANNOUNCED

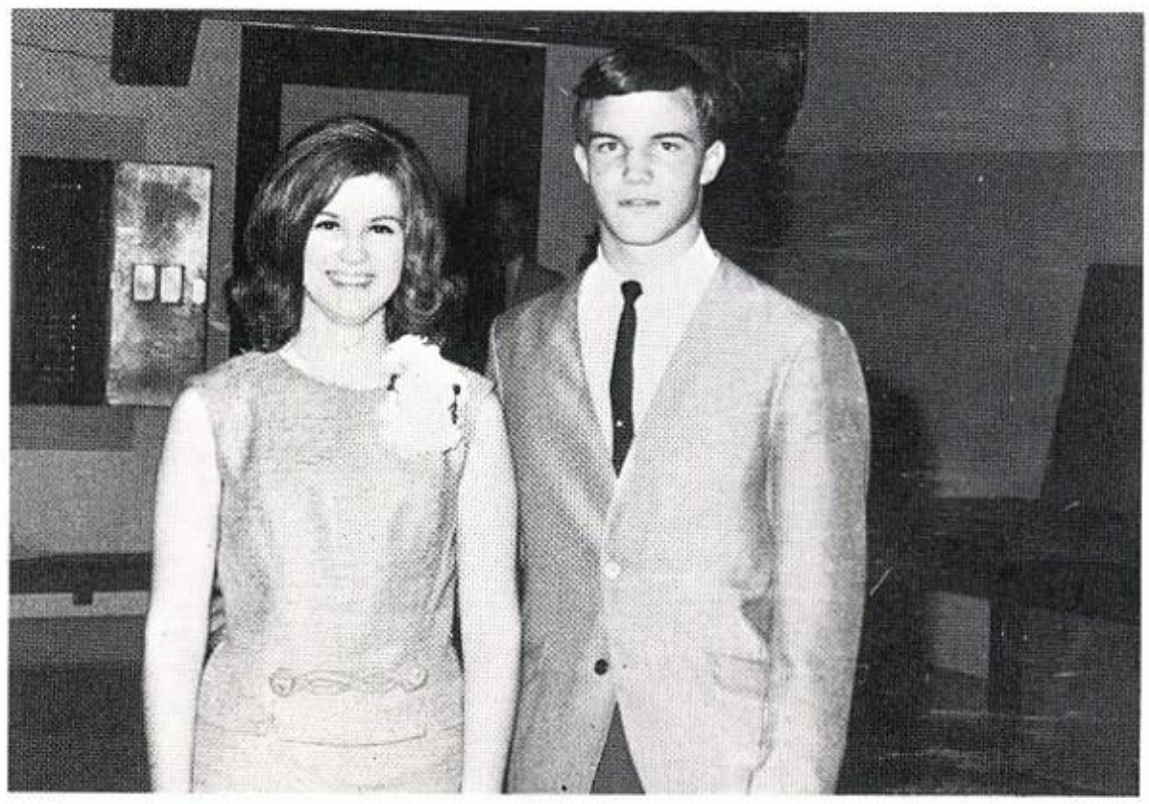
Tears of joy were shed as the Oak Favorites were announced at the Allied Youth Christmas Dance, December 21.

For the first time the favorites were revealed before the spring Oak assembly. Two bands played for the dance as tension mounted. Apprehension grew as 10:30 drew near, when the favorites were to be named. Moments later the only sounds heard were cries of joy.



"Double your pleasure, Double your fun."

"This calls for a game of "Ring Around the Rosies"

"Who is that with my daughter?"

"Yes, Valdi, you can take your trophy now."

"Gee, I just love doing this."

FAVORITES EXCEL IN MANY AREAS OF THE SCHOOL

Many of the 1966 Oak Favorites are active in many fields. Some of them are so busy in activities, they wonder how they have enough hours in the day to crowd everything in. From debate to homecoming Queen their time is almost completely taken. Here some of them are shown in everyday activities around school.

"I wonder if this is the right form for a rebuttal speech?"

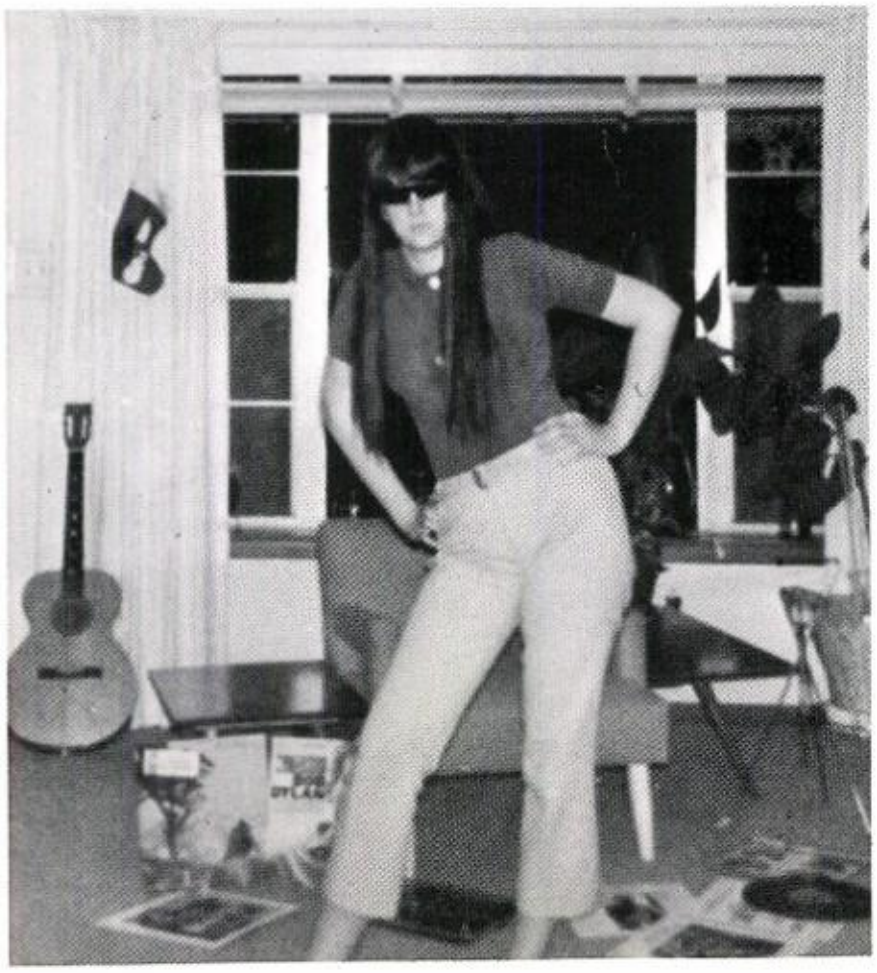
SPOTLIGHT SHINES ON SENIORS

This page is dedicated to that great class, Seniors '66. This year has been an important one for them because it is the last year of high school. Next year, many will be going to college and many starting to work. These pictures are examples of Seniors beginning early to work hard so that they may step into the busy world with confidence.



I'm trying out for Leopardettes.

All right, all Miss Adamson contestants follow me.

BIGGEST EVER

This year's OAK staff is the largest staff yet. Compared to last year's staff of eleven, the 1966 staff has twenty-two members.

As well as increasing in number, the 1966 staff has worked hard to make this year's OAK a yearbook of increased quality. Many hours, days, and months went into creating this annual.

Working from May 1965 to April 1966, the OAK staff has done its best to turn out a good yearbook.

The OAK is a book with which Adamson students can look back on school memories many years from now. We of the staff hope that we have captured some of the best of those remembrances for each student.

Martha Pollard, junior editor, Janace Pope, faculty editor, and Carol Berry, advertising, take a rest from the day's hard work.

Mr. Bob Johnston, sponsor, lectures the staff.

Sharon White and Linda Bliss assist Mr. Brownlee.

Under the supervision of Mr. Brownlee, the OAK business staff handles all money connected with the sale and production of the yearbook, and handles distribution in the spring.

Rebecca Rippy, Sally Hays, and Lucy Long listen as Mr. Brownlee explains the business staff responsibilities.

Cindy Violet, and Susan Kidd show mixed emotions about their work.

Martha Cummings, Jan Furgeson, and Jo Ann Willis await instructions.

OAK BUSINESS STAFF WORKS HARD

STUDENT ASSISTANTS OFFER HELP TO FACULTY

These students give up their study hall and free periods to assist the offices and individual teachers. Besides using their talents for running messages to other members of the faculty, collecting attendance cards, "straightening" piles of teacher "work," and doing special feats of strength—they also enjoy untold freedom and liberty of the halls. Although no credit is given for the tasks performed by student assistants, they gain much from their experiences. Responsibility grants invaluable lessons to these busy workers.

STAGE CREW PERFORMS BACKSTAGE

Adamson Assemblies would not be complete without the aid of the stage crew, which prepares the stage and stage props for all assemblies. Spending much of their time after school on stage work, they strive diligently to support their school.

Under the leadership of Mrs. Peggy Howard, this year's art club, Alpha Rho Tau, has made the halls of Adamson look a little brighter. Attractive Christmas decorations, various art displays, and several store windows around Oak Cliff are only a few examples of the work of Adamson's art club.

Officers: Margie Womack, Historian; Lorna Bridges, Secretary; John Lindsey, President; Cathy Ward, Publicity; Roberta Whiteshield, Vice-President.

PROJECTIONISTS MEMORIZE FILMS

Seeing a film 15 times is only one of the sacrifices students make who serve as projectionists for the visual aids department. Giving up their study halls to serve fellow students, taking care of film equipment and serving in many other capacities makes them vital to the school. Projectionists work under the direction of Mr. David Forgey.

DISTRIBUTIVE EDUCATION OFFERS STUDENTS VALUABLE EXPERIENCE

Distributive Education, a cooperative part-time school program enables a limited number of students to get practical experience and training on the job and schooling at the same time. Students of junior or senior classification have the opportunity to learn retail selling in actual work situations by spending one-half day at school and the other half working on the job. D. E. is sponsored by Mr. Truett Cooper.

Our LEOPARDS faced the new season with mixed emotions

Searching for words to describe the 1966 basketball season, heartbreak, close, and almost are predominant. The Leopards were picked to be on top of the South zone crowd by many pre-season polls. In early exhibition games, Adamson showed its true potential in narrow losses to the strong St. Marks' and Bryan Adams' teams. Things never seemed to click for the Leopards, however, and they had to settle for third place in the zone.

The season gave fans many thrilling and hectic moments along with heartbreaks. The proud Leopards tried their best, but often fell a few points shy.

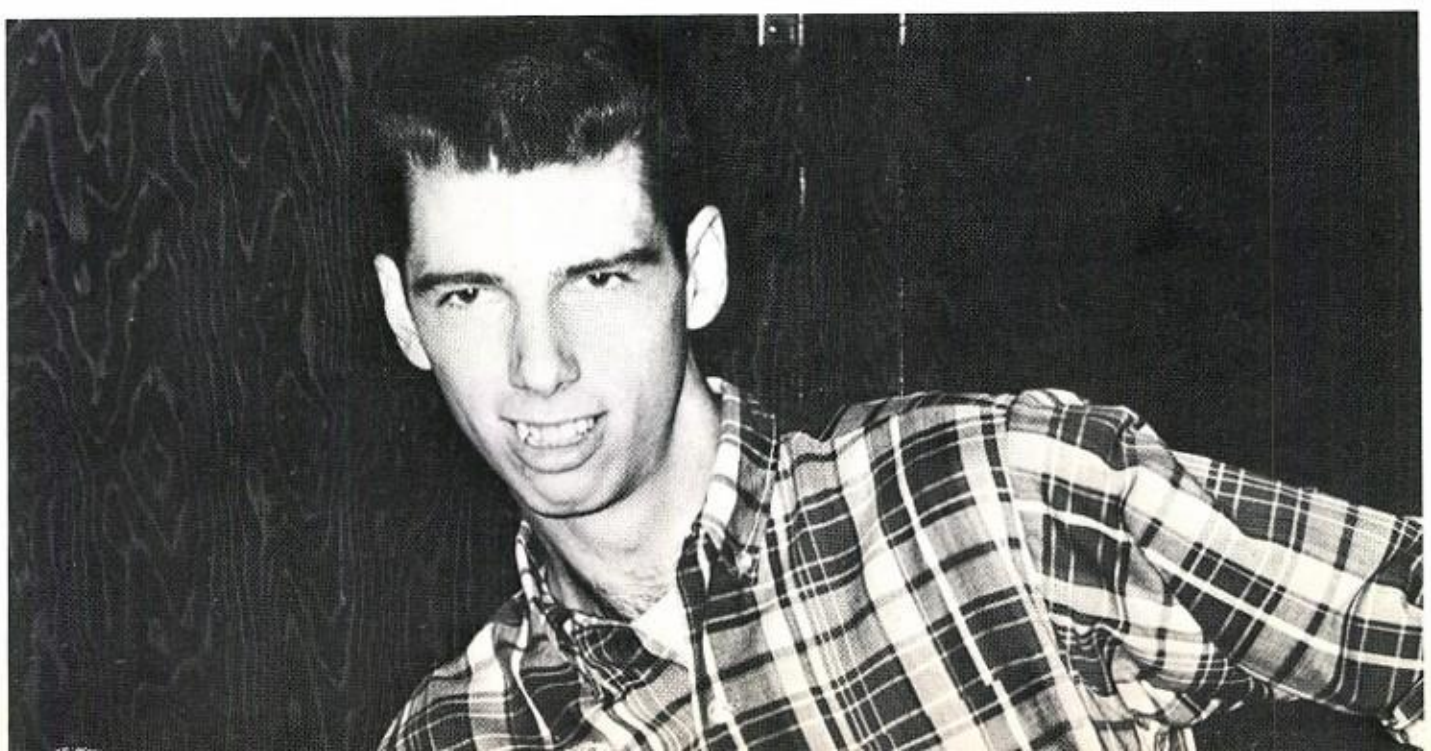
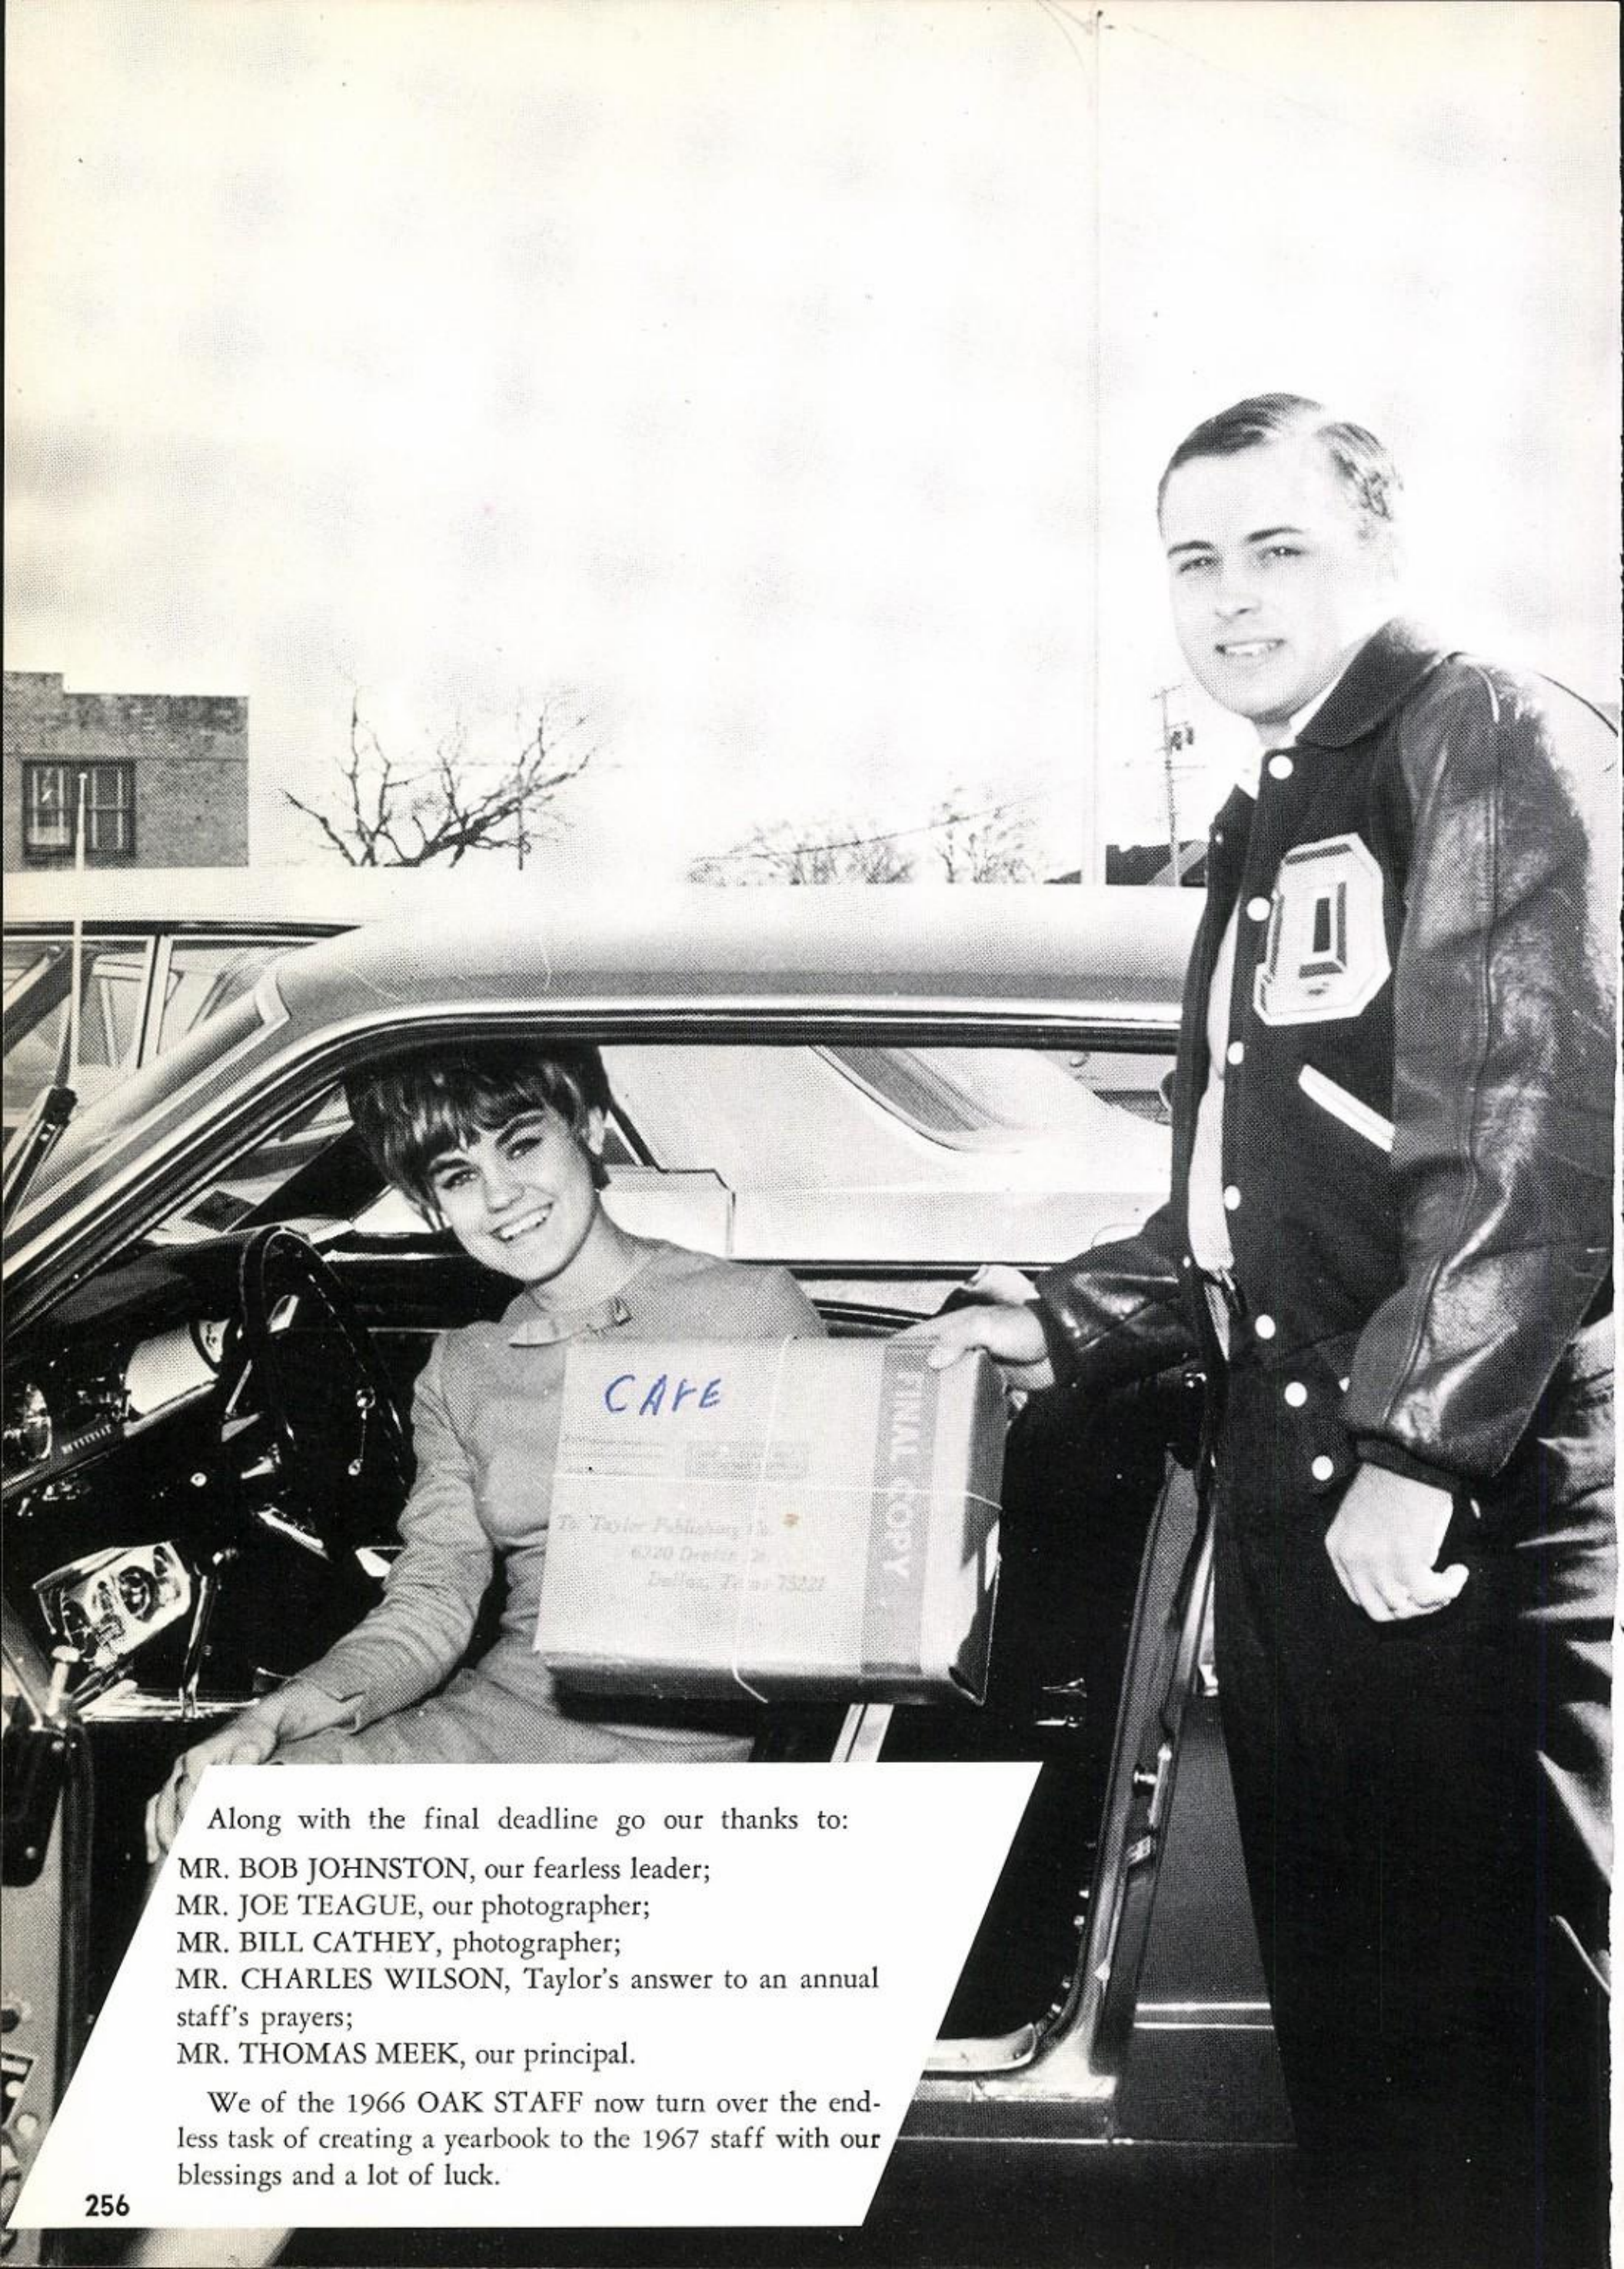
HARRIS CHOSEN AS UGLIEST

The Ugly Man Contest is sponsored each year by the ACORN. Purpose of the contest is to select the ugliest man in Adamson. The terrifying man chosen this year was Joe Harris. Nominees this year were Bobby Lopez, freshman; Wesley Edwards, sophomore; George Ellis, junior; and Joe Harris, senior.

Joe Harris terrifies some of Adamson's fair damsels.



Could you vote for an underclassman with Joe greeting you at the ballot box like this?



Along with the final deadline go our thanks to:

MR. BOB JOHNSTON, our fearless leader;
MR. JOE TEAGUE, our photographer;
MR. BILL CATHEY, photographer;
MR. CHARLES WILSON, Taylor's answer to an annual staff's prayers;
MR. THOMAS MEEK, our principal.

We of the 1966 OAK STAFF now turn over the endless task of creating a yearbook to the 1967 staff with our blessings and a lot of luck.
